

Gordon Moller

ONZM
REGISTERED ARCHITECT
DIP ARCH FNZIA PPNZIA
HON DLITT WELL HON RAIA

Education

New Zealand Order of Merit
Fellow of New Zealand Institute of Architects
Past President New Zealand Institute of Architects
Honorary member Royal Australian Institute of Architects
Diploma of Architecture, Auckland University 1967
Professorial Teaching Fellow, Victoria University, School of Architecture 1990 and 1991
Honorary Doctorate, Victoria University of Wellington 2006

Philosophy

Gordon's philosophy has been to search for a meaning in architecture expressive of the New Zealand natural and urban environment. To do this his approach is to respect the environment in which the building or design is located and develop a design process with the client to create architecture with an evolving and responsive quality.

If the resulting buildings improve with age and use, then these fundamental goals are achieved and enhanced.

Design Awards

NZIA Gold Medal Award for Architecture 1989 Moller House Te Horo Beach
