

## **James McNicholas**

BAS  
M ARCH (PROF)

### **Education**

Bachelor of Architectural Studies 2011  
Unitec Institute of Technology

Master of Architecture (Prof.) 2014  
Unitec Institute of Technology

### **Work Experience**

James joined Moller Architects in 2023 with a background in bespoke residential and commercial typologies of various scales. He enjoys making architecture that inspires experience. That in response to environmental & technical challenges, a collaborative design-led process creates the most unique outcomes.

### **Work Undertaken**
