

Norman Wei

REGISTERED ARCHITECT
BAS
M ARCH(PROF) (HONS)
ANZIA

Education

Registered Architect NZRAB 2021
Master of Architecture 2014
School of Architecture, University of Auckland
Bachelor of Architectural Studies 2012
School of Architecture, University of Auckland

Work Experience

Norman joined Moller Architects in 2015 after completing his education in architecture. With a keen interest in developing projects of various scales and typologies, he believes that a successful project requires consistent care from the inception of the concept design to its final completion.

Work Undertaken

Manurewa South School

A new ten-classroom teaching block with a focus on Innovative Learning Environments.

Whittakers Stage 9

A new specialist roasting facility as part of the Whittakers Chocolate Factory development.

Chelsea School Block 7

A rebuild of a six-classroom teaching block, while upgrading to Innovative Learning Environments.

Hilltop Apartments

Design development for 98 apartments.

taki Development Masterplan

Masterplanning of a six-hundred-unit housing development.

The 36th Americas Cup

Masterplanning for AC36's proposed Syndicate Bases.

Greys Ave Apartments

Design development for 500 apartments.

Teaching Experience

Norman has been a professional teaching fellow at The University of Auckland's School of Architecture and Planning since 2018.
